Application No. 10/807,950
Filed: March 24, 2004
Attorney Docket No. 010032-000200

: **OFFICE OF PETITIONS**
:
: **DECISION ON PETITION**
: **TO WITHDRAW**
: **FROM RECORD**
:

This is a decision on the Request to Withdraw as attorney or agent of record under 37 C.F.R. § 1.36(b), filed April 3, 2006.

The request is **NOT APPROVED**.

A grantable request to withdraw as attorney/agent of record must be signed by every attorney/agent seeking to withdraw or contain a clear indication that one attorney is signing on behalf of another/others. A request to withdraw will not be approved unless at least 30 (thirty) days would remain between the date of approval and the later of the expiration date of a time to file a response or the expiration date of the maximum time period which can be extended under 37 C.F.R. § 1.136(a).

The request cannot be approved because no reasons for withdrawal have been provided. The Office cannot, at this time, determine whether practitioner's request is one of the mandatory or permissive reasons enumerated in 37 CFR 10.40. Any subsequent requests must include reasons for withdrawal. Please note that there is a space provided for on PTO/SB/83 (Request to Withdraw as Attorney or Agent) to supply practitioner's reasons.

A power of attorney submitted on March 6, 2006 and resubmitted April 3, 2006 was improper. In this regard, compliance with 37 CFR 3.73(b) has not been satisfied in that the reel and frame number where the recorded assignment appears in the assignment records of the USPTO has not been provided. Therefore, in order for the power of attorney to be acceptable, compliance with 37 C.F.R. 3.73(b) must be satisfied. A form for complying with the provisions of 37 C.F.R. 3.73(b) may be found on the USPTO.gov website (Form No. PTO/SB/96).

All future communications from the Office will continue to be directed to the above-listed address until otherwise notified by applicant.

Telephone inquiries concerning this decision should be directed to Wan Laymon at 571-272-3220.

This application is being referred to Technology Center AU 1761.
